Some people walk on the other side,
They like it slow and easy.
Some people run on a mountain trail,
Some like it wild and rough.
Some like to fly and some like to sail,
And some like the downhill stuff.

Keep movin' in a forward direction,
Like a river rollin' down to the sea.
If you wanna make a different selection,
Honey, let yourself go with gravity.

Everybody's lookin' for heaven,
Everybody's lookin' for home,
Everybody's lookin' for higher and higher,
But nobody wants to be lookin' alone.
Everybody's tryin' to get down to it,
Everybody's tryin' to sing,
Whatever it is we're all gonna do it,
'Cause whatever we do we gotta do our own thing.

Some people like that downhill stuff,
They like it fast and breezy.
Some people walk on the other side,
They like it slow and easy.
Some people run on a mountain trail,
Some like it wild and rough.
Some like to fly and some like to sail.
