WILDFLOWERS IN A MASON JAR
as performed by John Denver

INTRO:  | D | G A |

G     D             A                      D
January back in '55 we rode a Greyhound bus through the Georgia Midnight
G     D             A
Grandpa was sleeping and the winter sky was clear
G     D             A
We hit a bump and his head jerked back a little and he mumbled something
G     D             A
He woke up smiling, but his eyes were bright with tears

D             G     D     G
said, "I dreamed I was back on the farm..."

G     A             D                      A
20 years have passed, boy, but the memory still warms me...
G     A             D
Wildflowers in a Mason Jar..."

G     D             A                      D
He told me those old stories about that one-room cabin in Kentucky
G     D             A
The smell of the rain and the warm earth in his hands
G     D             A
He slowly turned and stared outside; his face was mirrored in the window
G     D             A
And his reflection flew across the moonlit land

D             G     D
and he dreamed he was back on the farm

G     A             D                      A
Tilts his head and listens to the early sound of morning
G     A             D
Wildflowers in a Mason Jar

G     D             A                      D
An old man and an eight-year-old boy rolling down that midnight highway
G     D             A
Kentucky memories from a winter Georgia night
G     D             A
I started drifting off and Grandpa tucked his coat around me
G     D             A
I think I tried to smile as I slowly closed my eyes

D             G     D
and I dreamed I was with him on the farm

G     A             D                      A
"Grandpa, I can hear the evening wind out in the corn..."

G     A             D
Wildflowers in a Mason Jar...
G     A             D
Wildflowers in a Mason Jar...
G     A             D
Wildflowers in a Mason Jar..."

G     A             D
And the bus rolled through the night...
